

# Sunday Evening Seminar

## Corneal Biomechanics and Refractive Surgery

at Courtyard by Marriot Vienna Prater

**Date:** Sunday, 23<sup>rd</sup> September 2018

**Time:** 17:30 h Come together with finger food  
18:00 h - 19:30 h Seminar

**EXCLUSIVE Event!**  
Only 80 attendees admitted!

### Moderator:

Cynthia Roberts, PhD

### Invited Speakers:

Prof. Renato Ambrósio Jr, MD, PhD

Prof. Paolo Vinciguerra, MD

Riccardo Vinciguerra, MD

Bernardo Lopes, MD

David Kang, MD

Prof. Ahmed Elsheikh, PhD

### Topics:

- Big data: Meta-validation of TBI
- Clinical application of CBI
- **Panel discussion: Biomechanics and refractive screening**
- Corneal crosslinking and biomechanics
- Outlook: Corneal Biomechanics: Implications on refractive surgery
- **Panel discussion: Biomechanical properties in clinical practice**

### Meeting Venue:

Courtyard by Marriot Vienna Prater  
Trabrennstraße 4  
1020 Vienna, Austria
